Chapter 1 by Phantim

It was the pinnacle of the human age. Time travel had been invented but was highly regulated. Not for me though. I was one of the few who regulated time, not just to keep it in line, but to make it better. We did well for many years, until...

We were working on the arts. Normally we went back and stopped precious paintings from being destroyed, or photographed ancient wonders that we knew we would lose. We had moved up in history and it was time to touch up the cinematic universe. The first thing we agreed on, was that we needed to kill Adam Sandler before he could make any movies.

Chapter 2 by eelir J

The task seemed an easy one. Kill this goofy person who thinks he is a comedian.

According to our AI, 4th of July 1986 would be the best moment to make the kill. He should have been alone and drunk in his room. Staging a suicide scene was the best fit for such a person I thought.

We soon jumped into the Time Travel Pod and within seconds the countdown sequence began.
